FREY ANGUS RANCH

"The Brand of Performance"

Hello and Welcome to our
35th Annual Bull Sale

Monday February 08, 2010

Dear Friends and Customers:

Again we would like to invite you to be with us Monday February 8, 2010 for our 35th Annual bull sale at the Frey Angus Ranch. We will be offering both Angus and Red Angus bulls. These bulls represent the top blood lines in their respective breeds and will add pounds and dollars to your calves.

The bulls have been developed on a high roughage ration with complete performance and carcass information. We invite you to stop by anytime and look though them at your convenience. The catalog format is a little different this year but extended pedigrees will be available or you can get more information on the website of the respective breed associations. The bulls will sell in catalog order with volume discounts.

Another new feature this year is our sale will be broadcast live on the internet. DVAuctions will carry the sale; if you cannot be here, you now will be able to view and bid online. To bid online, you must pre-register at least 24 hours in advance. In these uncertain times, it is important to remember that good cattle are always easy to sell. Now more than ever, cattle that are genetically sound, functional, efficient and performance oriented will be in demand. Extra pounds mean extra dollars and now is a good time to upgrade your genetics. We have a wide variety of genetics that can do just that.

Again, we invite you to be with us on Monday, February 8th. Come early for a complimentary beef lunch. If we can be of assistance, please do not hesitate to call.
